

Urban Glass Solutions is an experienced glass and glazing company specialising in glass replacement and installation. We work with our customers to deliver cost effective glass solutions. With years of experience, our team has a great track record in excelling at meeting customer expectations and achieving great results.

Here at Urban Glass Solutions our core business centres around residential glass replacement, although with our years of experience have developed partnerships with Sydney's biggest Real Estates and Developers. We pride ourselves on delivering great service from repairing a laundry window to installing shower screens and mirrors in brand new development blocks.

Customer service and satisfaction is our only measure of success

We are committed to providing a safe workplace for our employees and customers. This is achieved using materials that meet Australian safety standards and a committed management team ensuring comprehensive and current safety standards are met.

Our services include

- Residential and commercial glass replacement
- Shower screen repair and installation (framed, semi and frameless)
- Mirrors and built-in robes
- New for old glass replacement on all types of timber and aluminium windows and doors
- Maintenance of all glass on residential and commercial windows and doors
- Glass balustrades, awnings and pool fencing
- New for old glass replacements on shop fronts
- 24hr emergency call out and replacement for residential and commercial premises.

Why choose Urban Glass Solutions?
